Addiction, Recovery & the Workforce: *a summit for Washington Co businesses of all sizes*

July 13, 2017—8:30 am to 3:30 pm
Science 102, University of Maine, Machias

This FREE event is coordinated by the Community Caring Collaborative

You know about the opiate crisis and high rates of alcohol and drug abuse in Washington Co. *How do these affect businesses and the shrinking workforce?*

- ◇ Learn and discuss challenges to hiring and employing people in recovery
- ◇ Put your questions to a panel of experts discussing strategies, successes and challenges
- ◇ Plus, get foundational information on addiction, available treatment and recovery supports, and take home materials for your staff

Please register for this event at www.cccmaine.org where we will post developments to our speaker lineup and the day's agenda.
