

**The Maine Resilience Building Network and
The Bingham Program announce the
2nd Biennial Conference**

***Building Thriving Communities:
Capitalizing on Evolving Science and Circumstances***

Thursday and Friday, November 2 and 3, 2017
Point Lookout Resort, Northport, Maine

You'll want to join us if you are working to:

- *Promote population health and wellness*
- *Support Mainers who struggle with addiction or mental illness*
- *Prevent or reduce addiction and chronic illness*
- *Ensure that all infants, toddlers and preschoolers arrive at preK or kindergarten "ready to be successful" in school & life*
- *Increase high school graduation rates*
- *Ensure workforce readiness*

Be an active participant in this quality professional development opportunity and see what's happening in communities across the state. Let's work together to ensure ALL Mainers have the care, support and services they need to thrive in their communities and for our communities and economy to thrive.

Registration will open in September.
