Extraordinary care puts children first. www.ShrinersHospitalsforChildren.org

The professionals at Shriners Hospitals for Children® believe in family-centered care. The child and family are at the heart of the medical team. Every treatment chosen, every decision made is geared toward giving a child the skills and abilities to live a healthy, productive life.

The care given is the best in the world, and many techniques and treatments that are common in hospitals around the country today were pioneered at Shriners Hospitals for Children.
