

Downeast Feast

Come have dinner at a potluck with your neighbors!

The Downeast Feast is a shared, free, community meal on the fourth Thursday of every month at 5pm. The location varies. Downeast Feasts are potluck-style meals, so bring some food to share. If you can't bring any, please come anyway! Check the schedule below for the location of each feast. Also, if possible help us decrease waste by bringing your own place settings and a container to take home some food. If you can't, no worries. We got you covered!
