

# Save the Date!

**October 30, 2018**  
**8:30 – 11:00 am**  
**Moore Community Center, Ellsworth**

## *Downeast Public Health District* **Community Health Engagement Forum**

**The following organizations will be hosting a forum for the Maine Shared Community Health Needs Assessment to present Hancock County health data:**

*Maine Coast Memorial Hospital, Blue Hill Memorial Hospital, Mount Desert Island Hospital, Downeast Public Health Council, Eastern Maine Healthcare System, Healthy Acadia, and Maine Centers for Disease Control and Prevention.*

### **Why are you invited?**

**This is your opportunity to provide valuable input to the 2018 Hancock County Health Data and identify what you think is important for the health of your community.**

**Look for Hancock County *Data Health Profiles* in late summer 2018.**

### **About Maine Shared CHNA**

#### **Vision**

The Maine Shared Community Health Needs Assessment helps turn data into action so that Maine will become the healthiest state in the U.S.

#### **Mission**

The Maine Shared Community Health Needs Assessment is a dynamic public private partnership that:

- Creates Shared Community Health Needs Assessment Reports;
- Engages and activates communities; and
- Supports data-driven health improvements for Maine people.
