

Winter Kids

**Childcare Providers,
Pre-K & Kindergarten Teachers:**

Are you looking for engaging learning activities that keep kids active outdoors during the winter months?

Join Healthy Acadia and WinterKids Program Director Marion Doyle for this 2-hour workshop and explore ways to keep kids active throughout the winter months with engaging, kid-friendly outdoor activities.

This workshop is free and participants will be provided with a binder for their center or school.

The binder includes 6-weeks full of activities to keep kids moving, grooving, and learning through the winter months.

For more information or to register in Washington County contact Georgie Kendall, 255-3741 or 214-1124 or georgie@healthyacadia.org. In Hancock County contact Katie Freedman, 207-667-7171 or katie@healthyacadia.org
