Registration is suggested in advance

Limited to 20 participants

### In this class, you will:

- Gain new tools to help you assist people in all stages of addiction and recovery
- Learn how to identify and respond to an opioid overdose
- Get a free Naloxone overdose reversal kit and training on how to administer it
- Learn about resources available in our community

*This free program is being brought to you by:*

*This training is supported by grant number H1URH31442 from the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS), Rural Health Opioid Program HRSA-17-022. The contents are those of the facilitator(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government.
