

The Community Caring Collaborative invites you to

Impacts of Trauma on Students & Families

a FREE 3-hour training

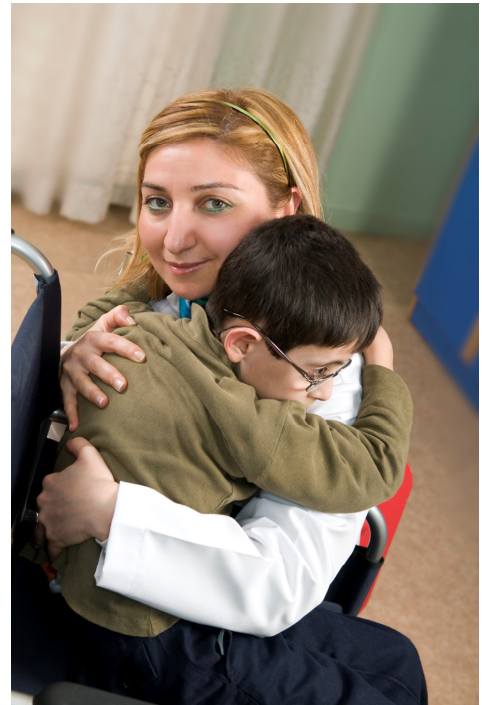

April 24, 2019 — 9 am to 12 Noon

Cobscook Community Learning Center

This training is designed for staff at all levels in Family Futures Downeast partner organizations. Staff from other CCC partner organizations who find this relevant to their work are welcome to attend.

Participants will learn about:

- Toxic stress and the role of cortisol
- Adverse Childhood Experiences
- How the brain is impacted by ACEs and toxic stress
- Factors that mitigate effects of ACES, trauma, and stress
- What it means to become Trauma Informed
