HOT TOPICS IN EMPLOYMENT

This is a limited opportunity to hear from Rudman Winchell's employment team on some of the hottest topics facing employers in employment law: drug use; sexual and other prohibited harassment; and workplace accommodation

TOPICS

Drug Use In The Workplace

Other implications for drug use in the workplace

State of Maine New Legislative Changes Learn about the 2019 employment legislative changes and what they mean for the employer.

Sexual Harassment An overview of prohibited actions based on certain protected categories, training requirements, and practical suggestions.

Workplace Accommodation

What is potentially covered by state and federal law

Focusing on workplace accommodation requests based on disability and religion, accommodation obligations: how to obtain the information needed to make the necessary assessment.
