WCCC LAUNCHES NEW DISCOVER LEADERSHIP SERIES

EXPERIENCE the POWER of the MASTERMIND

In partnership with Rose St. Louis, member of the John Maxwell Coaching, Speaking, Teaching Team; WCCC is offering an opportunity to experience the power of the Mastermind

15 Invaluable Laws of Growth by John Maxwell.

The first Mastermind group will afford you the opportunity to join forces and mastermind with a unique group of like-minded individuals who are focused on taking results in every area of their lives to a new level. Having the support and ideas from other focused and driven people allows us to see things differently and to get a new perspective on goals and action plans.

Together we will learn how to effectively raise our leadership lid, ways in which we can improve on communication, add value to others, and intentionally GROW by understanding and implementing the principles we will explore in *The 15 Invaluable Laws of Growth*.

During this introductory leadership series, we will offer participants a

FREE DISC Personality Indicator Report.

DISC provides you with a report that identifies four different dimensions of your design:

Behavior Style • Communication Style • Strengths • Work Style
