

# 2022 6TH ANNUAL WALK FOR RECOVERY

Please join the Washington County Community Action Team for the 6th Annual Walk for Recovery to celebrate those in Recovery, Families in Recovery and Recovery Allies, as we continue to battle the substance use epidemic that so greatly impacts our communities.

This Recovery Celebration will start in front of the Chamber Office, where individuals can make their own signs to display on the walk. The walk will head down Main Street and end at Bad Little Falls, where we will gather and listen to local speakers.
