

# 30 Peaceful Nights

A 30th-anniversary campaign to support Washington County DV survivors and our emergency shelter.

For survivors of domestic violence, a *peaceful night* is the difference between pain and comfort; distress and calm, voices raised and blissful quiet.

Sometimes a *peaceful night* is an opportunity to think and to be heard by supportive advocates, and sometimes it's the very beginning of *many more peaceful nights to come*.

### Two Ways to Support:

- 1) Purchase a \$300 Peaceful Night Gift Card
- 2) Donate to our Emergency Shelter Wish List
