Safe Harbor is a place for women to live and grow with their children while seeking recovery from substance use disorder.

A safe, supportive, and affordable living environment for women in recovery.

We support women with or without children, those with shared custody and those with reunification plans.

We are a supportive living environment with access to recovery supports including; support in finding recovery coaches, treatment services, and other recovery focused supports.

This is a non-clinical living environment therefore we do not have on site clinical or medical staff.
