

MHRT/C À La Carte

Washington County Community College is currently offering a flexible a la carte, five-course option to help you complete the remaining courses needed to meet the MHRT/C certification requirements.

The a la carte course option is ideal for people who are motivated to complete their DHHS/OBH MHRT/C certification, especially if they've already met some of the domain requirements or want to accelerate the process through focused coursework.

- Free College Credits
- Flexible Schedule
- Fast-Paced
- Meets DHHS/OBH Standards
- Complete only the courses/domains you need
- 100% Online & Asynchronous
